

AUDITORIUM
SERIES

OBX-RW3

LIVINGVOICE

The OBX-RW3 is the third generation of our most popular loudspeaker model, which extends the performance of the Auditorium series to perhaps the ultimate level possible from this classically balanced design.

The OBX takes advantage of an outboard crossover, isolating components from the high levels of mechanical energy inside the loudspeaker cabinet, and facilitating an optimal physical separation of the crossover components. This approach confers several musically valuable benefits – freedom of dynamic range with rich, dense textures; a pure radiance of tonal colours and a natural rendition of the acoustic space conveying time and poise. These benefits are a gift to all music-lovers as they reveal the artistry and expressive content of the music and allow it to transcend the means of reproduction.

SPECIFICATIONS

SENSITIVITY
94dB.

NOMINAL IMPEDANCE
6 ohms

LOADING
Reflex port to rear of cabinet.

POWER HANDLING
100 watts.

FREQUENCY RESPONSE
35Hz to 30kHz

CABINET DIMENSIONS
215 x 270 x 1030mm.

PLINTH DIMENSIONS
215 x 270 x 140mm.
Black textured finish.

CROSSOVER DIMENSIONS
450 x 270 x 120mm.

GROSS WEIGHT PER CABINET
22 kg.

GROSS WEIGHT PER CROSSOVER
5 kg.

TECHNICAL SUMMARY

High sensitivity wide dispersion MTM topology 750-density hardwood composite enclosure. Stiff internal triple bracing

Proprietary L.V. hand-wound air core inductors. Optimised crossover layout.

Mechanically-isolated outboard crossover. Star earthing.

Crystal-oriented internal wiring harness.

Proprietary Living Voice discrete film and foil capacitors. Proprietary non-inductive wire-wound resistors.

DEEP CRYOGENIC TREATMENT APPLIED TO:
Gold WBT binding posts – cabinet and outboard crossovers, internal wiring harness and crossover components.

Treble: Proprietary Scanspeak tweeter made specifically for Living Voice.

Bass / Mid: Proprietary Scanspeak 17cm doped paper-coned drivers made specifically for Living Voice.

Woods and finish: Premium furniture grade book-matched enclosures in Cherry. Walnut. Maple. Santos. Black Ash. Burr Oak. Ebony. Optional black.

Outboard crossover: Book-matched pair in premium furniture grade enclosures to match the main loudspeaker cabinets.
